

Lisa is a 3rd generation business owner and is also one of our EAGALA Certified Equine Specialists.

She and her husband, Brian, have built several successful businesses over the past 30 plus years, while raising 4 great kids. Lisa owns Hats Off Travel & Concierge, a full-service travel agency and concierge service company specializing in honeymoons, family vacations and memory making fun! Another specialty are events, especially those with an element of surprise, ie. Parties, proposals and “honor/gratitude events”. Because of her extensive network and her shy personality (NOT), Lisa is taking Horses & Heroes into the surrounding communities, conducting tours in order to bring awareness to the life changing H&H mission and purpose. Lisa After the loss of their oldest son, Drew, Lisa understands all too well, that when your life is shattered, nothing is ever the same again. If Lisa’s not spending time with Brian, reading on their deck or hanging out with the horses, you’ll probably find her watching a Hallmark Movie! And by the way, beets are AWFUL!

Planning a vacation or quick get away? Lisa provides great service, support and prices for all travel needs. www.hatsofftravel.com
